

# BE A PART OF SOMETHING BEAUTIFUL!

Paint a tile and leave a lasting impression at Kualapu'u School

Leave a lasting impression and support our school by painting a 6x6 ceramic tile that will be permanently installed on the pillars located in the school entryway.

Your tile will be a permanent tribute to you, your family or business. Your tax-deductible donation will symbolize your enduring support of Kualapu'u School for many decades and generations to come!

Students, parents, teachers, families, alumni, businesses and community members will be participating in this exciting project.

The actual painting events will take place at Kualapu'u School. The dates will be announced soon. We will contact you. By request the tiles can also be painted for you. All of the tiles will be fired at Kualapu'u.
